

National Institute for Health Research

Clinical Research Network
East Midlands

This General Practice is research active

Conducting high-quality clinical research helps us to keep improving NHS care by finding out which treatments work best.

In this practice, you might be asked to take part in a clinical research study. Alternatively, ask our staff about clinical studies suitable for you.

Taking part in a clinical research study is voluntary and can be a rewarding experience.

To find local clinical research studies, go to: www.ukctg.nihr.ac.uk

To find out more about clinical research in the East Midlands visit:
